location information!**

Nurturing Father's Program

The Nurturing Parenting Program is an educational program that involves the whole family.

Do you want to improve communication with your children, learn how to set limits, have family meetings, positive discipline, and have a fun time together and with other families?

PROGRAM IS FREE!

There is childcare available and light dinner included!

**CALL FOR MORE INFORMATION & TO
REGISTER TODAY!
1-800-CHILDREN**

Topics Include:

Fathers learn the roots of fathering; how to nurture themselves and their children; how to father sons and daughters; how to discipline without violence; how to play with their children; how to use team work with their partner in parenting; how to balance their work and fatherhood; learn communication skills and how to problem solve; how culture can influence their parenting style; how to manage anger, and resolve conflict; and finally, how to deal with their own feelings.

Call for more information and/or to Register!
Call Laura Parker at 802-498-0607 or at
1-800-CHILDREN or lparker@pcavt.org.

Sponsored by Turning Point of Franklin County

Funded by the Vermont Agency of Human Services and United Way  a program of PCAV
